Week 14

Year 3 – Week 14

This week in a nutshell:

- Mental multiplication and division this week focuses on using the known facts from the 3 times table. Mental addition and subtraction questions this week focus on adding two, two digit numbers mentally.
- Written methods for multiplication and division continue to focus on written multiplication and division using the 3 and 4 times table. Written methods for addition and subtraction focus on the addition and subtraction of 3 digit numbers, where each number has an equal number of digits.
- Fractions questions continue to focus on finding unit fractions of increasingly larger numbers.
