Fluent in Five

Daily Arithmetic Practice
Week 17

Year 2

THIRD SPACE LEARNING

Year 2 - Week 17

Please note, we recommend reading 'Your Guide to Using Fluent in Five' before using these resources with your class.

This week in a nutshell

This week, the focus of Fluent in Five returns to addition and subtraction. This week, children will be exposes to a range of increasingly more complex addition and subtraction questions, including addition questions which involve exchanging.

As usual, children will also continue to face questions which cover the full range of Year 2 addition, subtraction, multiplication, division and fractions.
