

ELDER CLASS HOMEWORK

SET: FRIDAY 1ST JULY

DUE IN: FRIDAY 8TH JULY

ENGLISH	This week, please create a mind map of all your school memories (from Bentworth) ready to write sections for our leavers' service. It is up to you how you do this; one big mind map covering all the years, or smaller mind maps for different years.
MATHS	For our final piece of maths homework for this school year, you have another 'Murder Mystery' to solve! Get as far as you can, and remember, if you have any difficulties - come and ask!
SPELLINGS	This week we have words that you will come across in Secondary School for English. You also have the opportunity to choose some words from your English work, or Dictionary Detectives book.
TIMES TABLES	Continue rehearsing the tables you need for you level of the Star Times Tables.
