Thursday 27th November 2025

Dear Parents,

This week we started rehearsals for the Oak/Ash Christmas Nativity 'Boogie Woogie Nativity' and we are really excited to welcome you to the show.

Due to the volume of people who attended last year, we are putting on 2 performances. While we love to welcome extended family members, we are asking that each family only chooses **one** performance to attend. This will enable us to keep numbers in the hall within safety regulations and make sure everyone gets a good seat.

I would please ask you to return the slip below indicating which of the performances you will be attending and how many people will be coming to watch. This will ensure we are able to keep track of numbers, we are unable to accommodate families attending both performances, choose the one that suits you best!

The songs for the nativity can be found on YouTube – search Boogie Woogie Nativity – so please help your child practise these at home. Everyone is singing most of the songs. The angels and Year R have a verse each they do on their own but your child will be able to let you know these.

Thank you for your support. We look forward to welcoming you to Boogie Woogie Nativity.

Miss Baker and Mr Day
