Dear Parent,

Please find attached kit list for Calshot 2026, and a medical questionnaire form, please return the medical form as soon as possible, if any additional medication is required nearer the time, we can add those details on.

We will be holding a parent information meeting at 4pm on the 20th April 26, virtually, this meeting will be recorded and available afterwards for those that cannot attend, and we will discuss all things Calshot!

Any questions will be answered during this meeting.

Kind regards
