## Bring A Grown Up to School Day

### Friday 7<sup>th</sup> November 2025

We welcome a special grown up in your child's life to come and spend time in school to see what the children 'get up to' in the Classroom!

Bring a grown up to school day is running all day:

Hourly slots are available for Oak, Ash, Lime and Elder Class and the sign-up sheets are in reception. We will be running three events during the academic year, where Mum, Dad, a Grandparent, Family Friend etc can come along.

This is a real opportunity for a special grown up to find out what their children love about St Mary's and to see our school in action. If you have more than one child, then the grown up can move around the school to visit siblings, so no one misses out!

We would love to see as many special grown-ups as possible – Please come and join us.

If you would like to attend, please sign up on your child/children's class sheet in the reception foyer.

Mrs J Ayres

Headteacher
