Headteacher: Mrs Jo Ayres B.A. QTS. NPQH.

Dear Parents,

Lime Class Trip to the Watercress Line, Thursday, 25th September 2025

We are delighted to tell you that Lime will be going on a very exciting and educational school trip on Thursday 25th September 2025. This trip will complement the children's History learning about the impact of the railways on the UK and our local area.

We will be using our minibuses to get to and from Ropley. We will be leaving school at 10.00 am. We will be arriving back at around 3.00pm. During the day the children will have hands-on experiences of how the railways developed, and the changes they brought to the local area and the UK as a whole. Bringing the past to life is so important to help our understanding of history.

Your child will need to wear clothes suitable for being outside for most of the day. This means layers and a waterproof coat/sun cream/sun hat. The children should also wear suitable, preferably waterproof, footwear. They will need a back pack containing their packed lunch, a water bottle and a snack.

We ask parents for a voluntary contribution of £15.00 to cover the cost of the trip and transport.

Please complete the permission slip below and return it to the School Office by Monday, 15th September

Yours sincerely,

Mrs Walke and Mrs Moore
Class teachers

Trip Watercress Line: Thursday 25th September 2025

Name of Child _____
