**Your child's annual Nasal Flu Vaccination is now due.** The vaccine helps protect against flu, which can be a serious or life-threatening illness.

**Click the link below for the electronic form and information about the vaccine. You will need to input the School Code below to complete the form. Access to the form will close two working days prior to the session.**

School Code: SH116351

Session date: 28/Nov/2025

Year Group: Year R – 6

The nasal flu vaccine contains products derived from pigs (porcine gelatine). To opt for the porcine gelatine free inactive flu injection, select NO to the nasal flu immunisation and you will be given further options. More information for parents is available from [www.nhs.uk/child-flu](http://www.nhs.uk/child-flu).

Alternatively, if you decide you **do not** wish your child to receive the vaccine against flu, please complete the form to record your decision. This will enable us to update your child's immunisation record.
