Dear Parents,

At St Mary's we strive to offer the children a broad and balanced curriculum. With this in mind, I am delighted to inform you that Elder Class have an exciting day planned on Wednesday 17th September.

Paul Ullson, a historian, will be working with Elder Class from 9-12pm. Our exciting workshop will complement our learning this half term about Ancient Greece. We ask parents for a voluntary contribution of **£7.00** to cover the cost of the workshop and our transport to and from Eggars.

We also have the opportunity to take part in an art lesson at Eggar's School in the afternoon where the children make their own Greek pot. The children will be transported to and from Eggar's via mini buses after lunch and will return to St Mary's before the end of the school day.

Please sign the reply slip below to give permission for your child to take part in each of these activities.

Thank you for your continued support.
Kind regards,

Miss Knight
