

Fluent in Five

Daily Arithmetic Practice
Week 31

Year 2

Year 2 - Week 31

Please note, we recommend reading 'Your Guide to Using Fluent in Five' before using these resources with your class.

This week in a nutshell

As children are now approaching the time of the Key Stage 1 assessments, Five Fluent in Five will focus on the full range of questions from the Key Stage 1 curriculum. Therefore, questions covering addition, subtraction, multiplication, division and fractions will be present throughout the week. As with last week, there will be a specific focus on more complex multiplication and division.
