Fluent in Five

Daily Arithmetic Practice
Week 27

Year 2

THIRD SPACE LEARNING

Year 2 - Week 27

Please note, we recommend reading 'Your Guide to Using Fluent in Five' before using these resources with your class.

This week in a nutshell

As with last week, as Fluent in Five has now introduced children to the full range of calculations from the Year 2 curriculum, this week will focus on the full range of questions from the Key Stage 1 curriculum. Therefore, questions covering addition, subtraction, multiplication, division and fractions will focus. However, there will be a specific focus this week on finding fractions of numbers.
